Copyright, online and other media publishing

The school also wants to publish original material that students create at school, including artwork, such as drawings and paintings, as well as stories, poems, and other literary work. Original material created by students attracts protection under the Copyright Act 1994. The students own the copyright in their own artistic and literary works. The school will not publish works on the Internet or any other media without authorisation in the form of a copyright licence from the students.

Given the age of the students, the school has decided that it will not publish any image of a student or work they have produced without the written permission of each student's legal guardians.

5. The school will not publish a student's image or work without written authorisation from the student's legal guardians. The school will immediately remove all material relating to a student from its website if requested in writing by a legal guardian of the student or once the student leaves the school permanently.
